WELCOME

WELCOME TO STOLLER FOUNDATION 2026 EVANGELISM SUMMIT!
We are delighted to welcome you to Houston and what we plan and hope to be an exciting two days talking about how Jesus Christ transforms lives.

Many of you are experts in sharing the good news of Jesus Christ. Others are on the way. Some of you preach, some love to share one-on-one, but all are committed to engaging individuals with the Best Person who ever lived.

All my life I have been privileged to see what happens when a person encounters Christ and believes in Him as Savior and Lord. Their attitude changes; their verbiage changes; they experience peace and begin to dialogue with God, hear from Him, and follow Him.

In these next few days, you will hear words that will inspire and remind you of your own good work in the Name of Jesus. You will hear methodologies of gospel sharing. Many new ideas will come to your mind, even if you have witnessed for years.

On Wednesday and Thursday, you will be able to assess your ministries, enjoy interviews, dialogue with one another, and hopefully take home ideas to implement into your own ministries.

There will be time for you to get to know other ministries and network as much as your hearts desire. Take advantage of every minute you have at your tables, during the breaks, and after the meeting of the day is over.

In Isaiah 49:6, God said to the prophet (and today to you), ***“I will make you as a light for the nations, that my salvation may reach to the end of the earth.”*** Thank you for being that light! Thank you for being our friend.

By the way, why not talk to someone at the hotel about Jesus?

Sincerely,

Eddy Hallock, CEO
Stoller Foundation

*“Evangelism is very important to me because I know **the power of the gospel to change people’s lives**. I do Evangelism three ways: mass, small group, and one-on one. For me now, personally, I do mass and personal and train nationals how to from Evangelistic small groups.”*

*“Why evangelism is important: **The Good News of the gospel is the best news and the only news that ultimately matters. Delivering the message of salvation is the most compassionate act of love that we can offer to another person.***”

*How I use it in everyday conversations: Everyone in the world is asking some form of this one question – **What is the best way to live life on this planet?** Asking this question often generates robust conversation! **Evangelism is sharing with everyone the only true answer** to this common question – both for life here on earth and life to come.”*

SESSION 7

ENGAGING THE CHURCH IN THE FOLLOW-UP WITH NEW BELIEVERS

by Scott Hoffman

Session Description: *The church is, in fact, the sole entity that God has entrusted with both the capability and the responsibility of displaying and declaring His glory to the world. In other words, there is no 'plan B.' The role of the church in the mission of God necessitates that we see our life in Christ as something inseparably connected to the life of the church.*

This session is designed to confirm that we are intentionally engaging the local church in our ministry - not just in the platform of our ministry - but especially in the evangelism and follow-up from our evangelistic efforts. Together we explore mechanisms and concepts for precisely how to do this!
