SESSION 3

USING YOUR PLATFORM TO REACH PEOPLE FOR JESUS

by Eddy Hallock

Session Description: *God has given you a heart for people, just like Peter and John had for the beggar at the temple gate. The beggar asked for money, but they gave him Christ, then healing. You have chosen an outstanding platform to minister to the crucial needs of people God has placed on your heart. The question is:* ***Which should be the foundation of your ministry? Is it Christ or is it platform first?*** *We will explore how reaching people for Christ becomes so much more exciting when we can use our platform to accomplish our main goal.*
